**PETITION UNDER 37 C.F.R. § 1.181
AND REQUEST FOR REFUND**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

On October 30, 2008, within two months of the action complained of, Applicant respectfully petitioned for a refund of extension of time fees paid in the amount of \$1110.00 for the above-referenced application on the grounds that the Office Action of April 14, 2008 was never received and the date for responding should have been reset. On November 21, 2008, the US PTO denied the refund request and stated, "It is required at this time to file a petition for the refund and submit supported documentation with the request."

On September 2, 2008, the office of the undersigned checked the status of this application in PAIR and, for the first time, became aware of the Office Action of April 14, 2008. Applicant filed a response to the Office Action on October 14, 2008, together with a three month extension of time fee, in order to avoid abandonment of the application.

The office of the undersigned checked all of the places in the undersigned's firm where the missing Office Action would have been ordinarily received and processed, but the Office Action was not found. The undersigned also checked monthly docket printouts of due dates surrounding July 14, August 14, and September 14 which should show due dates for responding to this Office Action but do not.

Attached hereto are copies of the relevant pages of the monthly docket printouts for the dates surrounding July 14, August 14, and September 14. Also attached is a copy of the docket printout for August 25, 2008 indicating that a Status Inquiry was due for this application, another indication that no Office Action had been received.

Also attached are two Patent Jacket Data Sheets. The first one was printed on June 20, 2008, showing a Status Inquiry due on August 25, 2008 as the next item due for this application. The other Data Sheet was printed on September 2, 2008, showing the next item due as the Amendment in response to the April 14, 2008 Office Action.

A screen shot of the registry section of the firm docket system showing the scanning of this Office Action on September 3, 2008, is shown as further evidence that the Office Action was not received prior to September 2, 2008. An e-mail received by the undersigned from the firm docket system on September 4, 2008, informing the undersigned of the receipt of the Office Action is attached.

Application No. 10/678,523
RULE 181 PETITION AND REQUEST FOR REFUND

Respectfully submitted,
